- Provides additional layers of keyless security & protection
- Ideal security for any door
- No programming required; preset with two user codes so it's ready to use right after installation.
- Easy installation, no need to run wires
- Battery operated with over 3 year battery life
- Certified Commercial Grade 2
- Keying: 5-pin tumbler with two keys per lock.

Keyless Deadbolt

- Innovative Turn Lock feature allows you to lock & leave without a key.
- Provides the convenience of keyless access; customizable.
- No programming required; preset with two user codes so it's ready to use right after installation
- Battery operated with over 3 year battery life
- Certified Commercial Grade 2
- Graded Best in Security, Durability, and Finish

Peepsite

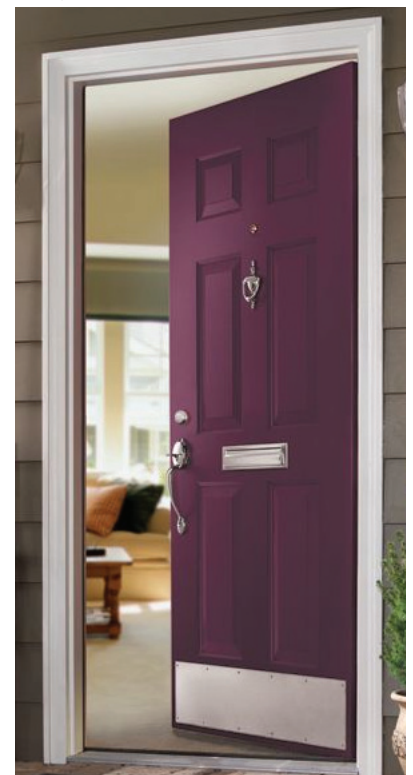

- 180 Degree Wide Angle Door Viewer
- Create a home that's completely pulled together—with style and grace reflected in even the smallest details.
- Lens projects 1/4" from face of door

Knocker/Peepsite

- Colonial Style Entrance Knocker with integral viewer
- Adds a touch of historical elegance to your entrance way.
- Exterior lens constructed of scientific glass to prohibit scratching

Mailslot

- Have your mail arrive directly to your front door
- Capable of accepting up to magazine sized mail, this letter box plate is especially designed for use on exposed exterior doors, and includes a set of both exterior and interior hinged plates that prevents wind from forcing rain and snow in through the slot while also allowing for increased personal privacy.
- Letter box plate is stylish, highly functional, and built to withstand the tests of time.

Protective Kickplate

- Constructed for high durability
- Baked on enamel coating for a lasting finish and protection
